WIAT®4
Wechsler Individual Achievement Test
FOURTH EDITION

Greater diagnostic sensitivity. Flexible, simplified scoring.

The Wechsler Individual Achievement Test® (WIAT®) is an individually administered achievement test for ages 4–50 (grades PreK–12+) for use in a wide variety of clinical, educational, and research settings.

Hey SLPs—
meet the WIAT-4!

Pearson

Age range: Individuals 4:0–50:11

Publication date: 2020

Qualification level: B

Completion time: Varies by grade level and number of subtests administered

Administration: Paper-and-pencil or digital administration

Scores/Interpretation: Fall, winter, and spring grade-based standard scores, age-based standard scores, percentile ranks, stanines, NCEs, age and grade equivalents

Scoring options: Q-interactive web-based administration and Q-global web-based scoring

TOP five

reasons why you will love WIAT-4:

1 The **Essay Composition** subtest can be autoscored AND it measures correct minus incorrect word sequences, which are sensitive to conventions and morphosyntax.

2 The new **Phonemic Proficiency** subtest follows best practices by measuring speed AND accuracy on phoneme manipulation tasks!
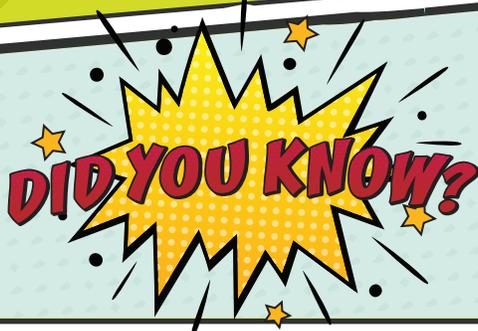

3 Compare timed and untimed **word reading and pseudoword reading**, which allows you to measure language skills AND language processing speed.

4 New **Orthographic Processing** subtests and composite show you how well your students process written language.

5 **New Reading and Writing Fluency** subtests and composites help you see common academic writing tasks and an individual's integrated linguistic/cognitive performance under time pressures.

DID YOU KNOW?

WIAT-4 Dyslexia Index measures help you screen for dyslexia with a performance-based measure and support a dyslexia evaluation decision.

• *Validated for ages 4–50 (Grades PK-3, 4-12+)*
• *Administration time is 15 minutes or less*
• *Reliable, valid, and clinically sensitive*

Take a look at everything WIAT-4 measures...
(so much language in reading, writing, and math)

WoW!

Core Academic Composites	Grade Range	Subtests
Reading	K–12+	Word Reading
		Reading Comprehension
Written Expression	K–12+	Spelling
		Alphabet Writing Fluency
		Sentence Composition **NEW** OPTION TO AUTOSCORE!
		Essay Composition
Mathematics	K–12+	Numerical Operations
		Math Problem Solving

Processing Composites	Grade Range	Subtests
NEW! Orthographic Processing	1–12+	Spelling
		NEW! Orthographic Fluency
		NEW! Orthographic Choice (Q-interactive® only; provides an Orthographic Processing Extended composite score)
NEW! Phonological Processing	1–12+	*NEW!* Phonemic Proficiency
		Pseudoword Decoding

Supplemental Composites	Grade Range	Subtests
Oral Language	PreK–12+	Listening Comprehension
		Oral Expression
NEW! Basic Reading	1–12+	Word Reading
		Pseudoword Decoding
		NEW! Phonemic Proficiency
Decoding	1–12+	Word Reading
		Pseudoword Decoding
NEW! Reading Fluency	3–12+	Oral Reading Fluency
		NEW! Orthographic Fluency
		NEW! Decoding Fluency
NEW! Writing Fluency	1–4	Alphabet Writing Fluency
		NEW! Sentence Writing Fluency
Math Fluency	1–12+	Math Fluency: Addition
		Math Fluency: Subtraction
		Math Fluency: Multiplication

WIAT-4 can help you:

- Support and augment comprehensive oral language skills assessment tasks
- Make diagnostic decisions more easily and link to academic performance
- Rule in/rule out key processing weaknesses
- Share language with other professionals in the assessment process

A side-by-side look at what the WIAT-4 offers a CELF-5 assessment process!

Language Domain	CELF 5	WIAT 4
Listening	Word Classes Following Directions Semantic Relationships Understanding Spoken Paragraphs Observational Rating Scale	Listening Comprehension • Receptive Vocabulary • Oral Discourse Comprehension
Speaking	Formulated Sentences Recalling Sentences Sentence Assembly Work Definitions Observational Rating Scale	Oral Expression • Expressive Vocabulary • Oral Word Fluency • Sentence Repetition
Reading		
Word Recognition	N/A	Word Reading
Decoding	N/A	Pseudoword Decoding
Comprehension	Reading Comprehension	Reading Comprehension
Fluency	N/A	• Orthographic Fluency • Decoding Fluency • Oral Reading Fluency
Writing		
Spelling	N/A	Spelling (dictation)
Written Expression	Structured Writing	• Essay Composition • Sentence Composition
Writing Fluency	N/A	• Alphabet Writing Fluency • Sentence Writing Fluency
Phonological Processing	N/A	Phonemic Proficiency
Orthographic Processing	N/A	• Orthographic Choice (Q-interactive only) • Orthographic Fluency
Math (requiring language comprehension)	N/A	Math Problem Solving
