

Help shape the future  
of a widely used  
language assessment

**Join a testing opportunity  
and earn money!**

Pearson Clinical Field Research is seeking participants to test drive the latest revision of a language assessment! Participants will receive compensation while also contributing to the development of an assessment that will benefit your community and future generations.

### **About Pearson Assessment**

Pearson is the world's largest learning company, serving customers in nearly 200 countries. With more than 80 years of experience in the clinical testing field, Pearson's Assessment group offers inventive and thorough products and services to support clinical professionals. We are especially well known for our assessment contributions in cognitive/ability, memory, behavior, achievement, and speech/language.

### **What's involved in field research?**

Your child will work one-on-one with a qualified examiner at a mutually agreed-upon time and location. Participants will earn a **\$100 Digital Gift Card** by taking part in this **1 ½ to 2 ½ -hour testing session!** Participants will be asked to complete various tasks, including listening to stories, creating sentences, and word association.

### **Who can participate?**

Pearson Clinical Field Research welcomes all interested children. The inclusion of participants from different ages, ethnic groups, and socio-economic groups ensures our assessments are fair and balanced.

*Your participation in testing is critical!*

### **Your child may be selected for testing if they:**

- Are between the ages of **5 and 16**
- Speak English as their primary language
- Do not have a diagnosis that may impact language, such as autism spectrum disorder, learning disability, traumatic brain injury, or intellectual disability
