

# PARTICIPANTS NEEDED AGES 6 TO 16

Join this opportunity and  
earn money today.

## SIGN UP TODAY!

Pearson Clinical Field Research invites you to take part in a unique and rewarding research opportunity! Children ages 6 to 16 are needed to test drive the latest revision of an intellectual and cognitive ability test. Help us ensure the assessment is reliable and accurately represents your community!

### Participation details:

Participants will meet one-on-one with a qualified examiner at a time and location mutually agreed upon. By taking part in this **2-hour testing session**, participants will earn a **\$90 digital gift card!** Participants will complete interactive activities like puzzles, block design, and story comprehension.

\*Participants will not receive a diagnosis or test result interpretation. All the data collected are used for research purposes only.

### A CHILD MAY BE SELECTED TO PARTICIPATE IF THEY:

- Are between the ages of 6 and 16
- Speak English as their primary language
- Have typically developing fine and gross motor ability
- Can fully participate in testing without disruptive behaviors
